Why Super Concentrates Make The Difference

One liter of Super Concentrate replaces

68

bottles of retail cleaner.

Just Think of the Savings

Packaging • Pollution • Money

Super Concentrates save you money, space, and trips to the store!

It's as easy as...

1. Select your Super Concentrate:

2. Add Super Concentrate to fill line on the dispenser:

3. Activate pure soap by filling dispenser with water.

Let's talk about how the products work!

**1/2 oz. cleans an entire
load of laundry**
